

Virginia Indian Tribal Alliance for Life

VITAL provides government leaders, policy makers and the public with accurate information about the legal and political history of American Indian Nations of Virginia.

By providing knowledge and education, we hope to foster better-informed and culturally sensitive responses to the challenges faced by contemporary Virginia Indian communities.

Thank you for supporting the Mary Wade Memorial Golf Tournament, sponsored by the Virginia Indian Tribal Alliance for Life (VITAL).

This tournament honors the memory of Mary Wade, a member of the Moncan Indian Nation and the founding President of VITAL. Her tireless energy and her devotion to Virginia's indigenous people will not be soon forgotten.

This Tournament will help support one of Mary's favorite causes—helping the Virginia Indians in their quest for Federal Recognition.

The Indian Tribes of Virginia Federal Recognition Act of 2011, requesting the United States government to officially recognize the Virginia Indian tribes, has been introduced in Congress as S. 379 and H.R. 783. VITAL is now actively working to have the Senate bill passed.

These bills will provide the Chickahominy Tribe, the Eastern Division Chickahominy Tribe, the Monacan Indian Nation, the Nansemond Tribe, the Rappahannock Tribe, Inc. and the Upper Mattaponi Tribe their rightful status in the history of the Commonwealth and this Nation. Your sponsorship at the golf tournament will make a difference in this effort.
