

# Changing Diapers The Safe Way

**1** Wash hands.

**2** Get set up.

**3** Keep one hand on child at all times.

**4** Remove diaper and clean child. May use gloves.

**5** Properly dispose of soiled items—including gloves.

**6** Put on clean diaper.

**7** Wash your hands and child's hands.

**8** Changing surface:  
• Clean • Sanitize  
• Air-dry • Wash hands
